RT Order 73/2021

Special exam season of 2020/21 –
2nd phase, under COVID-19

Considering the amendment of the School Calendar for the 2020-2021 academic year, approved by RT Order 57/2020, of 26 June, which included a Special Exam Season, open to all students, taking place between 12 and 24 July, and stipulated that the respective grades must be announced until 30 July 2021;

Considering the recent deterioration of the health situation associated with COVID-19 and the fact that several students did not sit their exams during this Special Season, because they were in mandatory confinement, were infected with SARS-CoV2 or were in prophylactic isolation, certified by the health authority;

In this context, and to ensure that students infected with SARS-CoV2 or subject to prophylactic isolation, certified by the health authority, have a right to assessment, in the exercise of the powers conferred on me by Law and by the University of Minho Statutes, approved by Normative Order no. 15/2021, published in the Official Gazette (*Diário da República*), 2nd series, of 16 June, and in particular by subparagraphs v) and x) of paragraph 1 of Article 37, I hereby determine that:

1. Students enrolled in the 2020/21 Special Exam Season who did not sit their exams during that period on the grounds of infection with SARS-CoV-2 or prophylactic isolation may exceptionally do so in a 2nd phase of the Special Exam Season, to be held between 1 and 8 September 2021.
2. The dates of the exams will be defined by the Pedagogic Council to which the degree belongs, jointly with the teacher responsible for the course unit, upon request of the student to the relevant Pedagogic Council until 26 July 2021.
3. Until 3 September, the Pedagogic Council will send to the Academic Management Services Unit a list, organised by course unit and degree, of the students who will take part in the 2nd phase of the Special Exam Season, for the purpose of issuing the amended grades.
4. The amended grades must be announced until 10 September 2021.
